DETAILED ACTION

Response to Amendment

Applicant's Amendment filed on Dec. 29, 2006 has been entered. Claims 7 and 18-20 are cancelled per the Amendment filed. Therefore, claims 1-6, 8, 9, 11, 12, 16, 17 and 22-26 remain pending in the current application.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The title of the application has been amended as follows: System and method of manufacturing liquid crystal display wherein the bonding of the printed circuit film on the panel assembly is inspected.

Allowable Subject Matter

Claims 1-6, 8, 9, 11, 12, 16, 17 and 22-26 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claims 1 and 12 (Amended): Hasegawa et al. disclose in Column 7 lines 60-67 that when inspecting the compression bonding, the shape or state of the conductive particles and in particular to what extent the conductive particles are crushed and two-dimensionally

spread out along the substrate face is observed. However, either alone or in combination, Hasegawa et al. fail to disclose that the inspection of the dent number uniformity is performed, wherein the dent number is the number of conductive particles between gate pads and the TFT array panel and leads on the printed circuit film. Therefore, claims 1 and 12 are deemed non-obvious and inventive or the prior arts thus are allowed.

As to claims 2-6, 8, 9, 11, 16, 17 and 22-26: Since claims 2-6, 8, 9, 11, 16, 17 and 22-26 depend either directly or indirectly on the allowed claims 1 and 12, therefore, are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
